Government of India

## 1. Registration

The users for accessing the Jal Shakti Abhiyan mobile application needs to be registered before performing any login to the app. The user registration can be carried out at the link, <https://ejalshakti.gov.in/JSA>. The webpage comprises the **self-registration** form that is shown in the Figure below:

The screenshot shows the 'Self Registration Form JSA' webpage. At the top, there are logos for Jal Shakti Abhiyan and the National Informatics Centre. Below the logos, there is a navigation bar with 'Welcome, Guest' on the right. The main content area contains the registration form with the following fields and options:

- Name\***: Enter name
- Functional Designation\***: --Select Functional Designation--
- Official Designation\***: Enter designation
- Ministry\***: --Select Ministry--
- Department**: --Select Department--
- Gender\***: Male
- Email address\***: Enter email
- Mobile Number\* (Legal)**: Enter Mobile Number
- Mobile OTP Code\***: (Empty field)
- Enter Text\***: (Empty field)
- Submit**: (Blue button)

Additional text on the page includes: 'Please don't enter test/dummy data. Only CNO/BNO/TO/Asst Secy may enter data.' and a link: 'Click here to generate Mobile OTP (Guest Mobile No)'.

Once registered, the user will be approved by the concerned authorities. The user can perform the **login** only after the approval process.

## 2. Logging to the application

The steps to login to **JSA app** are:

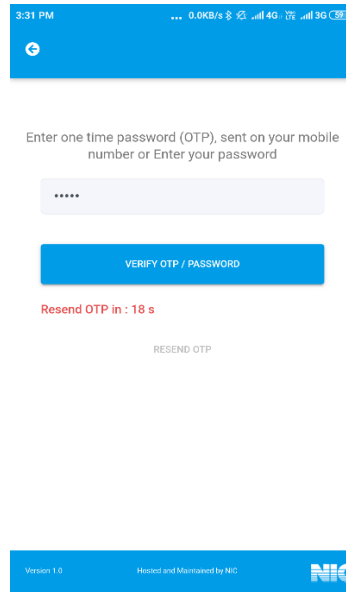

1. Download the mobile app from '**Google Play Store**' or '**Jal Shakti Portal**'.
2. Enter the registered mobile number and click **Sign In**.

The screenshot shows the 'Sign in' page of the Jal Shakti Abhiyan app. At the top, there is a status bar showing the time as 3:31 PM and battery level at 60%. Below the status bar, there is a header for 'Jal Shakti Abhiyan' with the Hindi text 'जल शक्ति अभियान'. The main content area has the following elements:

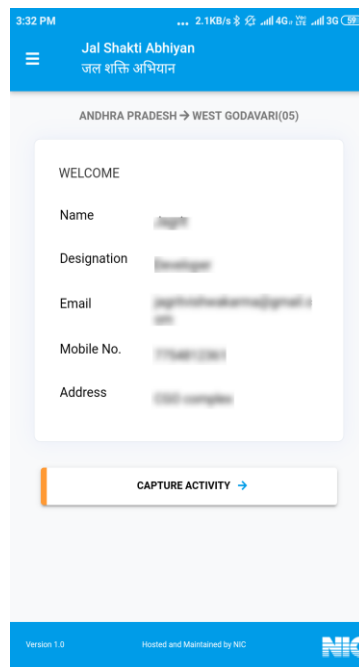

- Sign in**: (Header)
- Please enter your credentials to proceed**: (Instruction)
- Mobile Number / UserID**: (Text input field)
- SIGN IN**: (Blue button)

At the bottom of the page, there is a footer with 'Version 1.0', 'Hosted and Maintained by NIC', and the NIC logo.

3. Enter the OTP received on the registered mobile number and click '**Verify OTP/Password**' button, as shown in Figure:

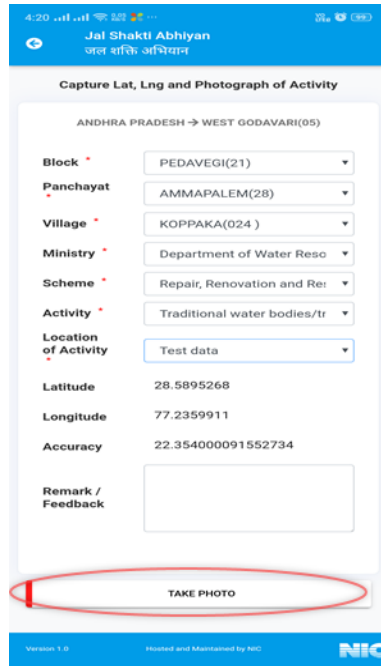

The **user dashboard** appears, which is as follows:

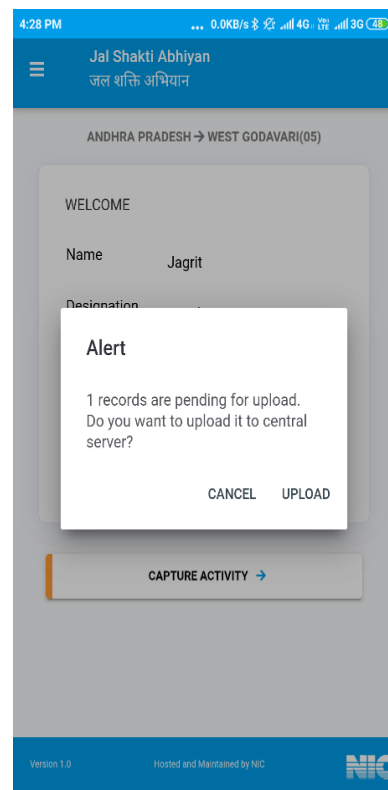

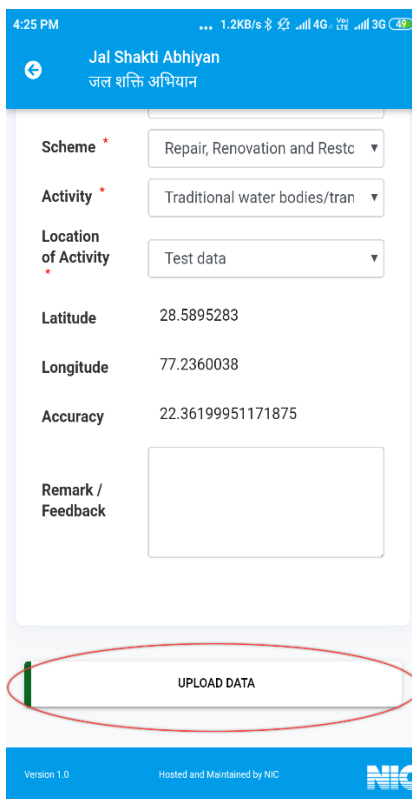

### 3. Capture Activity

On clicking this option, the user is redirected to the following screen. The user is required to select the mentioned details and then click **Take Photo** button. Once captured, Click the Save Photo button

#### 4. Upload Data

This option is used to upload the data saved by the user to the central server. Application displays a message that shows **the number of pending records** to be uploaded. Click **Upload** option to upload the data to the central server.

## 5. Download Master Data

This option is used to manually download the master data related to the logged in user.

## 6. Feedback

The feedback option has been designed to receive the user's feedback. It is categorized into following two **sub-sections**:

- **General Feedback:** The user can submit the General Feedback using this option. It also allows the user to submit any photo related to the given feedback.
- **Activity-wise Feedback:** It is used to submit the activity-wise feedback.
